Introduction

This user manual aims to explain the operation of the Online Agenda, a web application that allows users to manage their contacts easily and efficiently. The application features an intuitive and user-friendly interface that enables adding, editing, and deleting contacts from the agenda, as well as searching for them by name or company.

Requirements

To use the Online Agenda, you need an updated web browser (Google Chrome, Mozilla Firefox, Safari, etc.). No additional software installation is required, and an internet connection is not needed since the application runs locally.

Installation

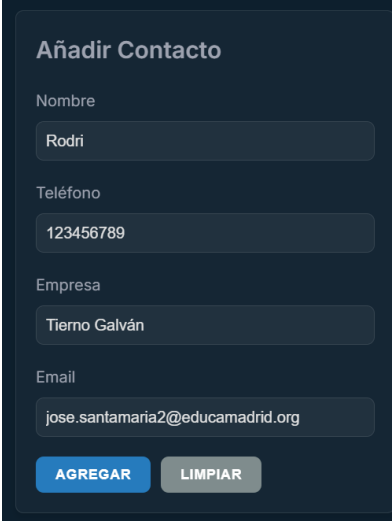

To install the Online Agenda, simply download the ZIP file and extract it to your preferred folder. Then, open the [index.html](#) file with your web browser, and the application will load automatically.

Usage

Once the application is loaded, you can start using it immediately. To add a new contact, click on the [Add Contact](#) button and fill in the form fields. To edit an existing contact, click on the [Edit](#) button next to the contact you want to modify. To delete a contact, click on the [Delete](#) button next to the contact you want to remove.

Add a Contact

To add a new contact to the agenda, follow these steps:

A dark-themed form titled "Añadir Contacto". It contains four input fields: "Nombre" with the value "Rodri", "Teléfono" with the value "123456789", "Empresa" with the value "Tierno Galván", and "Email" with the value "jose.santamaria2@educamadrid.org". At the bottom, there are two buttons: a blue "AGREGAR" button and a grey "LIMPIAR" button.
